## **The HomeLINK App for Residents**

### **Improved Health & Safety of Home & Residents**

From alarm testing reminders to notifications when the air is affecting your decision-making skills - the App was built with your health and safety in mind. With the HomeLINK Connected Home Solution your landlord is providing a method of care and risk management to ensure a safe and healthy home.

### **Empowering Residents to Take Control of the Health of their Homes**

Besides helpful tips and advice on how to better your living environment, the Resident App also helps by providing extra information including why this is important or what could happen if you don't act.
